

Our new package for our RTB tour includes the elements of our previous one. However, we will be a smaller, more intimate group, travelling by minibus and staying in hostel accommodation and one night in a rather luxurious Bedouin tent! We are praying and planning for 10. We now have the privilege of Arie Itamar, an Exodus 1947 Holocaust survivor and Doctor of Geology guiding us in part. We do not have a guide with us full time but many of the places we will visit provide their own guided tours with very experienced guides. Those of us leading the tour all have insight to bring to this groundbreaking and adventurous tour. Our leadership team are;

Rosie Ross, founder of Repairing The Breach, has lived in Israel with her husband Colin for 25 years and has 3 young adult children

Keith Hayden, RTB board member is a retired teacher and intercessory leader

James Patrick, Bible scholar and author

Chloe Rixon, young adult with a Ph D in Holocaust studies

Tamar Taylor, Israeli resident, with an MA in Holocaust studies, who will lead us in worship

We will be hearing from leaders in the Body of Christ here, including Avi Mizrachi in Tel Aviv and Michael Biener in Sderot. Michael and his congregation experienced the horrors of October 7th, as well as subsequent miracles. We are being welcomed for lunch at the Jerusalem house of prayer for all nations on the Mount of Olives.

We are looking forward to meeting with young adult believers in Israel from different backgrounds.

The cost is 1000 pounds plus flights and we are offering 500 pounds bursaries if you need assistance.
